Renewal Form Instructions: Requirements & Certifications (Section 7)

These requirements must be satisfied before your business license will be issued – even if your business submits a business license payment.

1. **Business Type:** This question asks to confirm what it is that the business really does. While the business type and the NAICS code (a federal business-activity code) will be filled out, you must confirm if the description of the business activity is accurate and all business activity falls under this description. If not, go to [www.census.gov/naics/](http://www.census.gov/naics/) to find the accurate 2022 NAICS code. Then enter that revised code and a brief description of business activity in the space provided.

2. **Officers or Principals:** If the business has officers or principals (more than just one owner of the business), the names and titles of the officers or principals must be provided on a separate sheet of paper to the Business Service Center. The Richland County Code of Ordinances requires this information to be provided.

3. **Changes with the Business:** All businesses with a change of ownership, location, or business activity must notify the Business Service Center and obtain all necessary approvals. This must be completed before renewing the current business license.
   - If the business has closed, a Closing Business Form must be submitted. This form is found online at [www.rcgov.us/bsc](http://www.rcgov.us/bsc), scroll down, and click the link for “BSC Forms”.

4. **Contractors:** All independent contractors (those paid by a business with the IRS Form 1099) who conduct business in the unincorporated areas of Richland County must have their own business license. The business license does not cover the independent contractors. This applies not only to construction contractors, but to ALL companies or individuals who are working for another company based upon a contract.

5. **All Applicable County Fees and Taxes:** There are several types of fees and taxes that are verified for compliance. The fees and taxes that apply depend upon the type of business.
   a. **Business Personal Property Taxes:** All businesses located anywhere in Richland County must be enrolled and up-to-date on taxes on fixtures, furniture, and equipment owned and used to operate the business. A Business Personal Property Tax receipt for the prior year must be provided to verify payment.
      - To obtain a copy of your paid receipt, go to [https://www6.richlandcountysc.gov/TreasurerTaxInfo/Main.aspx](https://www6.richlandcountysc.gov/TreasurerTaxInfo/Main.aspx), click “Business”.

Section 7: Applicant Requirements and Certifications

**FAILURE TO FULLY COMPLETE THIS SECTION WILL RESULT IN THIS APPLICATION BEING REJECTED AND PENALTIES APPLIED.** Businesses’ full compliance will be verified prior to being issued a business license. Each business is responsible for ensuring its compliance.

**Efficiency · Effectiveness · Equity · Integrity**
- Only businesses which opened the previous year are not required to provide a copy of the Business Personal Property Tax receipt, as a bill will not have been generated yet.

   - If the business is delinquent for any period, please go online to [https://www6.richlandcountysc.gov/htaxpaymentvoucher/default.aspx](https://www6.richlandcountysc.gov/htaxpaymentvoucher/default.aspx) to complete payment for any delinquent periods.

f. **Precious Metals Permits:** All businesses buying gold or other precious or semi-precious metals or stones from the general public, such as pawnshops and jewelry stores, must obtain this permit. This may be obtained from the Richland County Sheriff’s Department. For more information, call 803-576-3000.
