

Soil Health Workshop and Field Day

COVER CROPS MAKE \$ENSE

9 a.m.-3 p.m. Friday, Oct. 19

Morning Session & Lunch:
Eastover Park,
1031 Main St., Eastover

Field Session:
Carter Farms,
120 Merrylane Road, Eastover

This workshop for farmers and natural resource professionals will focus on soil health in conventional soybean, corn, cotton and peanut rotations. In the morning session, participants will learn about optimizing the short-term benefits of cover crops, reducing input costs through soil testing and the latest findings from soil health research projects across the state. After lunch, participants will travel to nearby Carter Farms to see a standing cover crop and learn cover crop management and soil sampling techniques.

HOSTED BY JASON CARTER,
CARTER FARMS

Lunch provided. Pesticide applicator and certified crop advisor credits available.

The event is free, but registration is required! Register at EastoverCoverCrops.eventbrite.com or contact Charlie Fisher at 803-576-2080 or fisher.charlie@richlandcountysc.gov.
