Rules and Appointments Committee
March 21, 2023

5. APPOINTMENTS

- a. Board of Zoning Appeals – Four (4) Vacancies – Ms. Barron noted that Ms. Sheila Harris was interviewed in December 2022.

Ms. Terracio stated Ms. Harris applied for several vacancies. She inquired if Ms. Harris expressed a preference as to which committee she would like to serve or if there were another committee she would be a better fit for.

Ms. Barron responded there is another board that Ms. Harris would be better suited for.

Ms. Terracio moved to appoint Mr. John Gwinn and Mr. Stanley Panford.

The motion died for lack of a second.

Mr. Branham thanked the applicants for appearing. He believes there is an opportunity for them to study the purpose of the Board of Zoning Appeals.

Mr. Branham moved to re-advertise the vacancies, seconded by Ms. Terracio.

Ms. Terracio inquired if we have had difficulty attracting applicants for the Board of Zoning Appeals and if there is anything we can do to help bring forward applicants that are more well-versed in what the board does.

Ms. Barron responded, historically, we have not had a large pool of applicants for the board. However, this is one of those boards we had to catch up with the vacancies. In the past, it was clear what the expectations were. It gives her pause to rubberstamp people because they are interested in serving.

In Favor: Branham, Terracio, and Barron

The vote in favor was unanimous.

- b. Township Auditorium Board – One (1) Vacancy – Ms. Terracio moved to re-appoint Mr. Carlos Gibbons, Jr., seconded by Mr. Branham.

In Favor: Branham, Terracio, and Barron

The vote in favor was unanimous.

6. ITEMS FOR DISCUSSION/ACTION

- a. Prior to the Rules and Appointments Committee interviewing applicants to serve on existing vacancies Councilmembers serving as a liaison on a Board, Commission, or Committee should provide the Rules and Appointments Committee with an update on current needs that particular board is trying to fill including but not limited to qualifications and expectations. The Councilmember should make an effort to attend those interviews. [BARRON – January 3, 2023] – Ms. Barron stated last year, we took the opportunity to update the overview of each board, commission, and committee so they were uniform. She noted we could request the Clerk's Office to make sure we reach out to the liaisons to see if there are any updates when we conduct the interviews.

Ms. Terracio suggested we communicate with the Chair of the Board, Commission, or Committee and the Director(s).

Ms. Barron commended the Clerk's Office for addressing the committee's needs and concerns and ensuring we got the needed information from the boards, commissions, committees, and applicants.

Mr. Branham inquired if the committee would recommend to Council to adopt this as a policy.

Ms. Barron responded that we can, but the committee has already adopted this as practice with the Clerk's Office.

Ms. Terracio inquired if this would be reported as part of the Report of the Rules and Appointments Committee, but no action will be taken.

- b. The mission and vision statement of each Board, Committee, and Commission Richland County Council appoints to shall be listed and made available to all. [BARRON – January 3, 2023] – Ms. Barron stated this information is on the County's website, included as a part of the application process, and the Clerk's Office also sends the applicant an overview of what they are coming to interview for. Ms. Terracio noted she did not know this was on the County's website. She hopes that when we revamp the website, it will be more navigable to the public.

Rules and Appointments Committee

2

Ms. Barron said she would gladly remind the Council of the updated system during the Rules and Appointments Committee Report. If you do not know, you do not have the information to share with applicants.

Mr. Branham stated in his experience, the website was pretty straightforward, and he is glad the purpose/mission is there.

- c. Eliminate the requirement for applicants who are applying to serve on Boards, Commissions, or Commissions to disclose their age range and sex during the application process. Appointments are done based on skills and knowledge. [BARRON – January 3, 2023] – Ms. Terracio stated she had gotten feedback from the various board, commissions, and committees, and they found it helpful. They are actively looking to ensure it is not just one demographic on the board, commission, or committee. As a fact, one of the appointees approached her and noted everyone on the board looked just like them. She believes people want more identifying factors. She would like to know how to address individuals when they appear for their interview.

Ms. Barron inquired if we want to add pronouns, or their preference, etc.

Ms. Terracio responded it is very common for forms to include pronouns. She believes we could look at other counties' applications to see how it is being presented.

Ms. Barron noted this would be an action item. According to her notes, we recommend including age, sex, and their preference on the application.

Ms. Terracio stated what she has seen on other forms is the age range, gender and/or pronouns, and title.

Mr. Branham stated, on the flip side, if we are already committed to interviewing every applicant, we do not risk discriminating against someone. He could see where we would be open to eliminating these identifying factors.

Ms. Terracio noted she does not know of any instances where we choose not to interview someone. Speaking for herself, she would like to know how to address the applicant(s).

Ms. Barron noted she would report to Council that the committee does not have a recommendation.

- d. Request all Boards, Committees, and Commissions whose members are appointed by Richland County Council to re-evaluate the number of members they need to serve on that particular entity in order to address their need for a reduction or an increase of members to be appointed and serve. [BARRON – January 3, 2023] – She noted this motion desires us to ensure the entities we appoint to have enough members to serve. She indicated this could become complicated because it could require an ordinance change.

Ms. Anette Kirylo, Clerk to Council, noted the number of members requirements for some boards, commissions, and committees are set by the State, therefore we cannot change the number of members they have. It will have to be reviewed individually.

Mr. Branham moved to defer this item until the following Rules and Appointments Committee meeting, seconded by Ms. Terracio.

In Favor: Branham, Terracio, and Barron.

The vote in favor was unanimous.

7. **ITEMS FOR INFORMATION**

- a. Boards, Commissions, and Committee Advertisement Schedule – No action was taken.
- b. Applications Currently on File – No action was taken.
- c. Quarterly Attendance Reports – No action was taken.

8. **ADJOURNMENT** – Ms. Terracio moved to adjourn the meeting, seconded by Mr. Branham.

In Favor: Branham, Terracio, and Barron.

The vote in favor was unanimous. The meeting was adjourned at approximately 4:00 PM.

STATE INSTRUCTION NUMBER 14-03, Change 1

To: Chief Elected Officials
Local Workforce Area Signatory Officials
Local Workforce Area Board Chairs
Local Workforce Area Administrators

Subject: State Criteria for WIOA Local Workforce Development Boards

Issuance Date: September 30, 2020

Effective Date: Immediately

Purpose: Pursuant to the provisions of the Workforce Innovation and Opportunity Act (WIOA), a Local Workforce Development Board (LWDB) must be established in each workforce development area within the state and must be certified by the Governor. The purpose of this instruction is to issue additional state criteria regarding LWDB composition requirements. These criteria will assist chief elected officials in appointing appropriate representatives with optimum policymaking authority within the organizations, agencies, or entities represented and ensure that LWDBs create required standing committees. **This policy guidance replaces State Instruction 14-03.**

References:

- Workforce Innovation and Opportunity Act, Pub. L. No. 113-128, §§ 107
- State Instruction Number 14-03

Policy: Section 107 (b)(1) of WIOA requires the Governor, in partnership with the State Workforce Development Board (SWDB), to establish criteria for use by chief elected officials in local areas for appointment of members of the local boards. The chief elected officials in each local workforce development area must comply with the following criteria:

- The chief elected official(s) in a local area are authorized to appoint the members of the local board for such area in accordance with this policy. The LWDB must meet WIOA composition requirements as outlined in Section 107(b)(2) of Public Law 113-128.
- LWDB composition requirements under WIOA and the SWDB's criteria supersede those of local government entities, including by-laws, ordinances, regulations, etc.
- Members of the local board shall be individuals with optimum policymaking authority within the organization, agency, or entity represented.

- Core program representatives pursuant to Section 107 (b)(2), (C) and (D) under Board Composition, must be nominated by the organization, agency or entity represented to ensure appropriate representation. The selected representative’s county of residence shall not be a prerequisite for board appointment, as the individual serving on the local board represents the entity or program rather than the county of residence.

Core Programs Representing:	Nominating Entity:
Eligible providers administering adult education and literacy activities under title II	SC Department of Education, Office of Adult Education
State employment service office under the Wagner-Peyser Act serving the local area	SC Department of Employment and Workforce
Programs carried out under title I of the Rehabilitation Act of 1973, other than section 112 or part C of that title	SC Department of Vocational Rehabilitation or SC Commission for the Blind

- Standing committees of the local board must consist of the three committees identified in Section 107(b)(4)(A) of Public Law 113-128, as specified below. The local board may designate additional standing committees.
- A local board will not be certified unless it is in compliance with the composition requirements in the statute and this policy.

Board Composition

WIOA specifies the following criteria for the local workforce development board:

(2) COMPOSITION.—Such criteria shall require that, at a minimum—

(B) not less than 20 percent of the members of each local board shall be representatives of the workforce within the local area, who –

(iv) may include representatives of organizations that have demonstrated experience and expertise in addressing the employment, training, or education needs of eligible youth, including representatives of organizations that serve out-of-school youth;

(C) each local board shall include representatives of entities administering education and training activities in the local area, who—

(i) shall include a representative of eligible providers administering adult education and literacy activities under title II;

(ii) shall include a representative of institutions of higher education providing workforce investment activities (including community colleges);

(iv) may include representatives of agencies or entities administering programs serving the local area relating to transportation, housing, and public assistance; and

(v) may include representatives of philanthropic organizations serving the local area; and

(E) each local board may include such other individuals or representatives of entities as the chief elected official in the local area may determine to be appropriate.

Standing Committees

The following committees must be included in the standing committees of the local board:

(i) A standing committee to provide information and assist with operational and other issues relating to the one-stop delivery system, which may include as members representatives of the one-stop partners;

(ii) A standing committee to provide information and to assist with planning, operational, and other issues relating to the provision of services to youth, which shall include community-based organizations with a demonstrated record of success in serving eligible youth; and

(iii) A standing committee to provide information and to assist with operational and other issues relating to the provision of services to individuals with disabilities, including issues relating to compliance with section 188, if applicable, and applicable provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) regarding providing programmatic and physical access to the services, programs, and activities of the one-stop delivery system, as well as appropriate training for staff on providing supports for or accommodations to, and finding employment opportunities for, individuals with disabilities.

Action: Please ensure that local chief elected officials, board members, and appropriate staff receive and understand this policy.
