THE COMET PROGRAM UPDATE

- ♦ Service Changes In order to get our service within the board-adopted 187,650 hours, the COMET initiated several service changes on May 7th including:
 - Overall lowering the number of hours by 2% and increasing efficiency on night service;
 - Adding earlier trips to get passengers to work;
 - Adding 2 express routes (for a total of 3) and adding the Blythewood Industrial Park to our existing Express Route 82;
 - Adding service to the northeast, including on Clemson, Hardscrabble, and Killian Roads and on Summit Parkway;
 - Adding additional service in the northwest part of the service area including Harbison and Parkridge

- ♦ Vehicles The board of directors approved an "art bus" created by artist Laurie McIntosh through the City of Columbia's One Columbia art program. Once the artist completes full size renderings our bus wrap vendor will wrap one vehicle with this unique design as a roving art piece in the Midlands.
- ♦ Shelters Since the last meeting the COMET added shelters at the connection protections zones at Crowson Road (a 30') and Forest Drive Walmart (a 16' and a 30'). We also added shelters on Bush River near Ashland, Forest Drive at the Kroger, and Taylor Street at Oak Street, all 16'.

Mr. N. Jackson stated prior to the Penny Tax Program the COMET had 3 employees, and now there is 13. He expressed concern about the increase in the number of employees. It is his understanding, there are duplicate services being performed.

Mr. Andoh stated he is assessing the structure of the organization and looking at the consultant contracts. He also stated that ridership is up, which is wonderful since many others are experiencing a decrease in ridership. The COMET is going to be partnering with Richland School District II in the new school year.

Mr. Edwards stated the PDT and the COMET have been conducting bi-monthly meetings to coordinate on the status of their respective programs.

Mr. Johnson inquired if they were looking at installing a device to capture the carts at the Harbison and Forest Drive Walmart bus stops.

Memorandum 18-02

Date: June20, 2018

To: Transportation Penny Advisory Committee

From: John Andoh, Executive Director/CEO

Subject: Summary of Transportation Penny Activities In June 2018

The COMET applied for a Low No Emissions grant from the Federal Transit Administration (FTA) to purchase up to seven (7) battery electric buses, as well as related solar charging infrastructure in partnership with Proterra. A demonstration occurred on June 8 and 9 and the bus was tested on Soda Cap Connector and Route 12. Additional demonstrations will occur in July 2018.

The May 2017 Service Changes have been implemented and resulted in an increase in passenger trips, especially with the expansion of service to Northeast Richland through the addition of Routes 53X, 55 and 55L. Route 52X was expanded to provide bi-directional service to encourage passengers to jobs in Blythewood Industrial Park. Attached to this memorandum is the service change flyer.

Staff has been working with Richland County Transportation Department staff regarding payment of Penny revenues that were received in excess of the budgeted amount. The COMET is working with Richland County finalize a Memorandum of Understanding to stipulate how these revenues will be paid to The COMET. The estimated amount is \$5,060,039.96 and the associated interest is \$230,962.13 for the period July 1, 2013 to April 12, 2018.

Ongoing or Upcoming procurements include legal services, auditor, marketing services, community outreach and bus gate replacement. Additional details are available at www.catchthecomet.org.

<u>Shelters Update</u> (NB – Northbound, SB – Southbound, WB – Westbound, EB – Eastbound.)

Completed: Two Notch Cushman SB, the connection protection zone at Forest Drive Sam's Club, Garners Lower Richland EB, Garners Colonial WB, Bush River Ashland WB, Broad River Piney Grove SB.

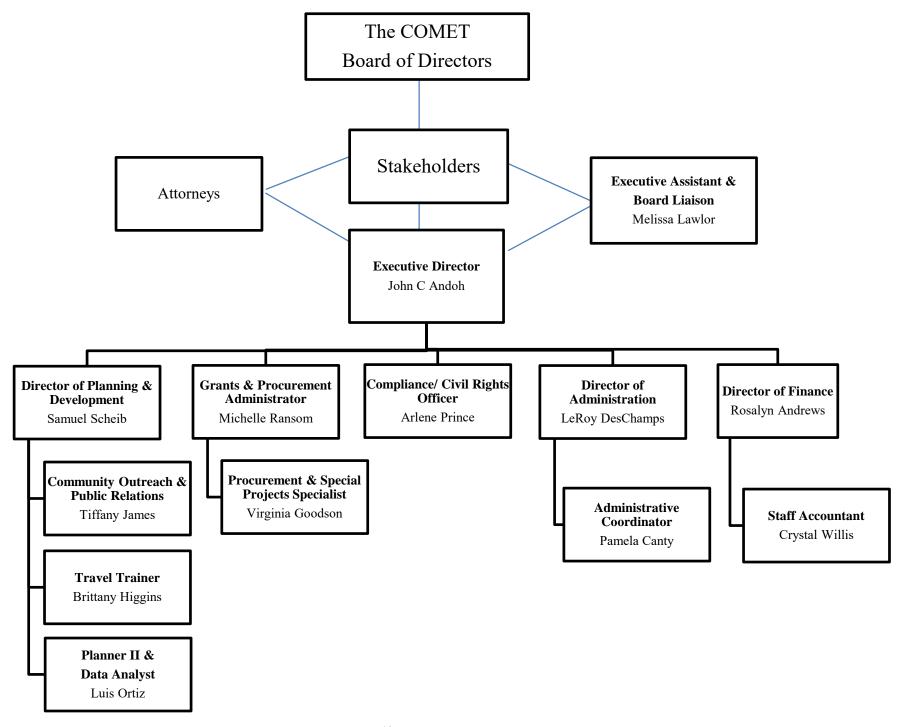

Under Construction: Connection protection zone at Harbison Walmart.

Permitting: Main and Elmwood NB, Two Notch Atrium NB, Two Notch Winover SB, Main Calhoun NB.

Cart Corrals: Forest Troy (Kroger), Broad River Road Neighborhood Walmart, Forest Drive Walmart, Harbison Walmart. We have one other available but after that we will have to reorder from our next shelter vendor.

Agenda Item # 14

To: Central Midlands Regional Transit Authority Board of Directors

From: John Andoh, Executive Director/CEO

Sam Scheib, Director of Planning and Development

Alan Bristol, General Manager, Transdev Update on May 7, 2018 Service Change

Requested Action: Staff recommends that the Board of Directors hear an update regarding the May 7, 2018 service changes.

<u>Background and Summary</u>: Service changes occurred on Monday, May 7, 2018. There were some operational concerns that are being addressed by Transdev and The COMET Planning and Development staff as it relates to the following issues:

- 1. Timetable distribution as all the timetables were not ready on May 7
- 2. Destination sign updates for new routes
- 3. Updates to the TransLoc system
- 4. Bus operators still learning their routes and as a result some bus operators have operated "off route".

Staff did pass out a flyer in regard to Route 22 and the alternatives associated with the route. There has been no complaints that relates to the discontinuance of Route 22 as of today.

Some outstanding issues relate to removal of old bus stop signs along Route 22, installation of new bus stop signs along the new routes in the Northeast and minor revisions to some of the stop locations.

Transdev and Transport Care Services staff was available to provide information to customers at the Transit Center on Monday and help the customers navigate the new changes.

Overall, the service change was implemented successfully.

<u>Fiscal Impacts:</u> None.

<u>Recommended Motion:</u> None. Legal Counsel Review: None.
