Also Present: Shirani Fuller, Darren Ledbetter, Michael Maloney, Michael Niermeier, Kim Janha

Member(s) Absent: Don Blizzard, Regina Corley and Joey McIntyre

The meeting proceeded as followed:

The meeting began at 12:03 pm. Mr. Brown welcomed everyone and gave the invocation. A quorum was present. Minutes were approved for March 2 & March 9, 2021 (Motioned by Brian Love and seconded by Helen Bradley). Mr. Brown gave a general overview of the County Transportation and the Technical Committees. Mr. Brown did a roll call of the committee members and thanked them for their continued dedication to the cause of road improvements in Richland County. Mr. Brown noted that the representation is needed from Districts 71, 73 & 79.

Project Request Update

- Sidewalk Installation Summit Ridge Drive (Estimated Cost: \$275,000)

Summit Ridge sidewalk requests was presented by Gary Barton, RC Public Works. Gary noted that the request started as a speedbump request. However, after review the area proved to be dangerous because it is a heavily populated residential area connected to Lake Carolina/Summit. Allison noted that the intersection within that area was updated about two years ago. Ray Rose inquired of the length of the sidewalk. It was shared that the area is close to about 1200 feet 1/8 of a mile. It was proposed that sidewalk would be standard ADA ramp. Project approved with motioned from Brian Love and seconded by Jane Plante (**CARRIED** with no objection).

- SCDOT Resurfacing/Rehabilitation various Roads (**Estimate Needed**)

Robert Hall, SCDOT, will provide an estimate for committee review. It was noted that Sumpter Road is on the list. The plan is to resurface/rehab roads.

RICHLAND COUNTY TRANSPORTATION COMMITTEE

Old Business/New Business

Helen Bradley inquired about guardrails on 378 at Food Lion/Lower Richland. Robert Hall will look into this request.

It was also noted by Ms. Bradley that trees marked on Bluff Road for removal are leaving huge stumps. Ms. Bradley requested that the stumps be removed because it can cause an accident.

Edith Cunningham noted that Old Garners Ferry Road at Pinewood Lake Park needs to be totally redone. Allison, Richland Transportation/Penny, noted the road will be redone as part of the penny program and was scheduled to be presented to the committee on 4/27/2021.

Allison noted that there are no plans for Millcreek Parkway, however, Robert Hall shared that it was on a DOT list. Robert also noted that there were plans for Padgett Road near the pond. Robert also noted that a plate at Padgett Road was removed.

Brian Love inquired about Lancaster Street. Robert Sweatt noted that the project was in purchasing and finishing specifications will have an update at the next CTC meeting.

It was also noted that construction in Wildewood started on 4/26/2021.

Mr. Love also inquired of the Hollandwood Street project. Gary Barton noted that a change order to administration was done to allow for addition to contract.

Ms. Edith Cunningham inquired of a stop sign at Friendship Church (not a turning sign). This could curve the near missed accidents. Allison and Robert Hall will look into this concern.

Mr. Brown requested that someone look into the request for sidewalks on Harbison Blvd.

Adjournment: Meeting adjourned (motioned by Helen Bradley seconded by Edith Cunningham) without objection at 1:15 pm.

Next meeting date: June 22, 2021
