

Connecting People to the Plan™

In July, Richland County engaged with Envisio Solutions, Inc. initiating a process-driven project to enhance the County's Strategic Plan Goals and Initiatives. A comprehensive, county-wide effort transpired across three planning sessions with the primary focus on Visibility to our Stakeholders and SMART (Specific, Measurable, Achievable, Relevant, Time-Bound) actions. Upon completion of the project on December 12, 2023, the Strategic Planning Committee suggested the recommendations for consolidation and clarification of the initiatives be presented to County Council during the Strategic Planning Conference.

Once the final review by Council has been completed, approval of this action will be slated for the next Council meeting.
