Almost 700 Properties in Sealed Bid Auction this Week

(Columbia, SC) The Richland County Treasurer's Office will conduct a sealed auction of almost 700 properties that did not sell at the annual tax sale on December 6th and 7th.

The properties to be auctioned include real estate properties such as tracts of land, football parking spaces, buildings, etc. that have not paid tax bills that were first sent out in November 2009. The sale of all properties would satisfy more than \$1.1 million in taxes for local entities and the services they provide.

A \$10 bidder fee must be paid to the Richland County Treasurer's Office to receive a bidder number in order to be able to bid on these properties. If a person was a bidder at the tax sale last month, they can use the same bidder number already issued to them without paying the \$10 fee again.

All bids must be received by the Treasurer's Office by 5:00 pm on Friday, January 21st.

A complete listing of the properties to be auctioned and the sealed bid procedures, along with bidder sign-up and forms, can be viewed at www.rcgov.us/treasurer. Or people can call (803) 576-2250 extension.
